

Announcement of King Mongkut's University of Technology Thonburi
Cancellation of the 2B-KMUTT Project, 2020

.....

Given the outbreak of novel Coronavirus disease 2019 (COVID-19) that has prompted Thailand to establish measures to safeguard the health of people and control its spread and in compliance with the announcements prescribed by the Ministry of Public Health and Ministry of Higher Education, Science, Research and Innovation as well as KMUTT's Announcement of Measures and Surveillance of COVID-19 No.2 dated February 26, 2020, the 2B-KMUTT Project, 2020 has now been cancelled.

The participants' interest in the project is highly appreciated. The university will provide updates when additional information becomes available.

Announced on March 5, 2020

(Assoc. Prof. Dr. Chaowalit Limmaneevichitr)

Vice President for Student Development
